

# Birds in My Backyard

## Sample Children's Program

### Introduction & Book Reading

10 Minutes

### Bird Color Sorting

5 Minutes

We sort each of the birds from the book into groups by color.

### Bird Match Game

10 Minutes

We play a memory matching game on a white board with pairs of birds from the book.

### Bird Sounds

10 Minutes

We play bird songs and see who knows which bird makes what sound.

### Bird Collage Making

10 Minutes

We talk about what a collage is. Then each child gets torn pieces of paper, crayons, and a glue stick to invent his or her own bird. Children are invited to describe what they have created.
